

NERVE

GOGGLE

MIL-PRF-32432A ANSI Z.87 EN166B

The NERVE goggle was designed to be a non-cumbersome traditional goggle, versatile enough to provide a great field of view and ensure superior eye protection in the harshest and most critical situations, faced by today's military and law enforcement. Besides its top-down ventilation system, it comes with the NERVE Elastic Strap with Tri-Glide

System to adjust the length and quick release key connections. Additionally, it is compatible with the Wiley X ARC Rail Attachment System (RAS), securing you a comfortable fit when wearing a tactical helmet, as well as NVG compatible. All combined, NERVE is an extremely functional goggle built to stand up to even the most demanding assignments.
